

Tuition Policies

Tuition

Tuition rates are based on weekly or daily enrollment. Bright Beginning does not offer partial refunds for days missed. A Registration Fee, Supplies Fee and Tuition Deposit are due at time of registration. The amount of the deposit and when it is applied to your account is dependent upon the enrollment agreement. Please see specific information on the fee schedule. All fees are non-refundable.

Returned Checks

A \$35.00 service fee will be assessed in the event payment has been made with insufficient funds. In the event that a second insufficient funds check is received, payments to Bright Beginning, Inc. will be accepted in the form of money order until further notice from Bright Beginning, Inc.

Late Fees on Past Dues Accounts

Tuition is paid on a monthly basis, due on the first day of each month. A \$35.00 late fee will be assessed if an account is past due by more than one week. Your payment must be received by the Bright Beginning Office prior that. If payment is not made in full Bright Beginning reserves the right to terminate enrollment.

Late Pick-up Fees

The program opens at 6:30 a.m. and closes at 6:30 p.m. daily. To ensure the safety of your child, Bright Beginning must enforce a strict late pick up fee policy. Please be considerate of the centers closing time. Bright Beginning staff will begin calling your emergency contact list at 6:40 p.m. Failure to pick up children by 6:30 p.m. will result in a charge of \$1.00 per minute per child, payable at the time of pick up or the following day.

No Tuition Reductions

To insure a high quality and properly staffed program for each child, we have a no refund policy for days missed unless they qualify under the vacation policy. There is no reduction in tuition for: absenteeism, holidays, non-academic days or school closings due to inclement weather.

You must keep in mind; Bright Beginning has a limited number of spaces available for enrolling children. Your child's space is reserved for your child, for the entire school year. If your child is absent, that space can not be filled by another child.

Vacation Time

Bright Beginning allows for credit of up to 5 days for vacation, per program year. To constitute as a vacation day, we must receive a minimum of 2 week prior notice to the date of absence. Any days absent without 2 weeks notice will be considered a non-refundable absence. If more than allotted days are taken during the course of a program year, then any days missed exceeding the allotted vacation days will be considered as non-refundable absences.
